Democrats and Progressive Name County Ticket

Two Parties Meet in Provo on Same Day and Nominate and Endorse Each Other's Candidate for County Offices.

The Democrats and Progressives of Utah county both held conventions in Provo, Wednesday, and nominated a county ticket. By prior arrangement the two parties had appointed the several offices about equally between the two parties, and after the conventions had each nominated their candidates, they each ratified the nominations made by the other.

The Progressive convention was called to order by County Chairman B. H. Bower. E. H. Mitchell of Provo was named temporary chairman and Clarence Beck of American Fork as temporary secretary. A committee was named to confer with the Democrats on the question of fusion, after which the convention adjourned. It reassembled in the afternoon when F. A. Hulsh was named as permanent chairman and C. M. Beck, permanent secretary. After the adoption of the Progressive state platform, with such changes as apply to local conditions, the convention proceeded to nominations.

The Democratic convention was called to order by County Chairman H. C. Jex and District Attorney J. H. McDonald was named as temporary chairman and George C. Swan and Mark Bezzant as temporary secretaries. The committee to confer with the Progressives on the question of fusion was named and the convention adjourned until afternoon.

When the meeting was reconvened William M. Roylance took the chair as permanent chairman; George C. Swan was named as permanent secretary, and Mark Bezzant as assistant secretary.

The plan for the division of offices was adopted, as well as a platform after which the convention made its nominations and endorsements. Before adjournment a resolution of sympathy for President Woodrow Wilson on the death of Mrs. Wilson was adopted.

At the conclusion of the convention the Progressives chose F. A. Hulsh as county chairman and the Democrats re-elected Heber C. Jex to the same post.

Under the arrangement Lehi gets the sheriff and assessor; American Fork gets a commissioner and a member of the state legislature and Pleasant Grove gets the county superintendent of schools and a legislator, which is considered a fair distribution.

There was much enthusiasm shown over the nomination of Henry East for sheriff and B. N. Christensen for commissioner.

The ticket, considered by its makers to be a strong combination, follows: State Senators—H. T. Reynolds, Democrat, Springville; Caleb Tanner, Progressive, Provo.

Representatives—William L. Openshaw, Democrat, Santaquin; Richard Wadley, Democrat, Pleasant Grove; Clarence M. Beck, Progressive, American Fork; Fred J. Lewis, Jr., Progressive, Spanish Fork.

County commissioner, four year term—F. A. Hulsh, Progressive, Provo.

County commissioner, two year term—B. N. Christensen, Democrat, American Fork, (renominate).

County clerk—A. V. Robinson, Democrat, Provo, (renominate).

Sheriff—Henry East, Democrat, Lehi, (renominate).

Assessor—Geo. Garff, Progressive, Lehi.

Recorder—Geo. Amos, Progressive, Payson.

Treasurer—Royal T. Hulsh, Democrat, Payson, (renominate).

Attorney—Grant C. Bagley, Democrat, Provo, (renominate).

Surveyor—C. Murray Twelves, Democrat, Provo.

County superintendent of schools—

James M. Walker, Progressive, Pleasant Grove.

STAKE PRIESTHOOD MEETING AT LEHI

President James H. Clarke presided with President S. L. Chipman in charge, at the Stake Priesthood meeting held in Lehi last Sunday. One of the features was a violin and zither trio by Mr. and Mrs. Carl Gunther and Mr. Lewis Christensen. Miss Amy Walker of London, who recently returned from a twenty month's mission to Northwestern states, gave an interesting account of her experiences.

President A. J. Evans gave a talk asking the people to support the several methods which will be used to raise funds to complete the Stake Tabernacle, asking deacon members to pay their assessments.

In the Priesthood meeting proper, Elders Claf Mounson and Jens E. Nielsen of Pleasant Grove, recently returned from Sweden, gave interesting accounts of meeting with government officials and other missionary experiences.

The M. I. A. division work was devoted to Stake Fair preparations. Many prizes will be offered, among which will be first and second ones on the best wax exhibits.

M. I. A. Fair an Assured Success

At a meeting of the Stake M. I. A. and School Fair Committee Thursday evening, much important business pertaining to the fair was transacted. In the near future a booklet will be issued containing a formal announcement of the fair, a premium list and such other details as are thought to be advisable to publish at that time. The booklet is in charge of the following committee: Thomas S. Broadbent, chairman, Miss Elsie Warnick, and Heber Bension, Jr., Advertiser. Desiring space in the booklet will do well to engage it early by application to this committee.

After all the exhibits are provided for there will be considerable valuable space left in the basement of the Tabernacle to accommodate those of private individuals and of companies desiring to advertise their business. This space is to be sold at a reasonable figure, the price to be announced later, and prospective buyers are advised to confer with Junius Banks of Lehi, for particulars. Room will be sold upon the outside for cattle and such exhibits as cannot be shown inside.

Within the building, one large room is being reserved for boys' and girls' club exhibits and another of the same size for the thirty M. I. A. exhibits. The 150 feet of wall space surrounding the spring dance floor is to be sold as above stated.

In the boys' and girls' clubs, the six best will be chosen from each club to be exhibitors at the state fair. A division of art and handicrafts has been created and free space reserved for the same. An invitation is extended to all who have art pieces, whether a painting, needle work, burning, hammered and etched brass, carving, turning, home made furniture, etc., to avail themselves of this opportunity to place their products on exhibit. No prices will be offered for such work this year.

The corn crop is declared to be a bumper all over the country. Wheat is holding its own and in many sections oats have broken local records. Practically every crop is reported good throughout the country. We need not hesitate to spread some butter on our mashed potatoes.

The happiest man in the land today is the successful farmer. He sits under his own vine and fig tree, undisturbed by the maddening noise of the great city. Banks fail, railroads go into the hands of receivers, booming towns collapse, business stagnates, but the wise farmer can snap his finger at these things. He is the monarch of all he surveys on his broad acres.

MRS. CHAS. FOX DIES IN SALT LAKE CITY

Last Sunday Mrs. Lola Kimball Fox, wife of Charles Fox, died in the L. D. S. hospital after undergoing a critical operation. She has not been well for several years. She was 29 years of age. Mrs. Fox was a daughter of Jed H. Kimball of Lethbridge, Canada, and a grand daughter of the late Heber C. Kimball. She leaves a husband and four small children.

Funeral services were held in the Twentieth ward chapel in Salt Lake City Thursday. Many Lehi friends and relatives attended.

Mr. Fox himself is just recovering from an operation for appendicitis and has the sympathy of his many Lehi friends.

BOY CLUB TO RECEIVE PRIZES

Heber Bension has been soliciting prizes the past week which will be given contestants in the State Fair to be held in September, 24-26. They will be given for sugar beets, potatoes, cucumbers, corn, poultry, pigs and dairying.

Messrs Banks and Bension have developed quite an interest in the Boy's Club movement and report the boys as having done most excellent work during the summer. About fifty Lehi boys are engaged in the contests.

Prizes will also be solicited from the merchants and leading citizens of American Fork and Pleasant Grove. When the list is completed it will be published in detail.

Salts Is Fine For Kidneys, Quit Meat

Flush the Kidneys at Once When Back Hurts or Bladder Bothers.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well known authority. Meat forms a uric acid which clogs the kidney pores so they sluggishly filter or strain any part of the waste and poisons from the blood, then you get sick, sear, all rheumatism, headaches, liver troubles, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidney or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.

The preacher has a hard time of it. If his hair is gray he is old. If he is a young man he hasn't had experience. If he has ten children he has too

many. If he has none he should have and isn't setting a good example. If his wife sings in the choir she is preoccupied. If she doesn't she isn't interested in her husband's work. If a preacher reads his notes he is a bore. If he speaks extemporaneously he is not deep enough. If he stays at home in his study he does not mix enough with the people. If he is seen around on the streets he ought to be at home getting up a good sermon. If he calls on some very poor family he is playing to the gallery. If he calls at the home of the rich he is an aristocrat. Whatever he does someone could have told him better. He has a fine time living off donations which never come in, and promises that never mature. Next to being an editor the preacher has the world bested for a quiet, peaceful (?) slide down the toboggan of time.

Gray Hair Becomes Dark, Thick, Glossy

Try Grandmother's Old Favorite Recipe of Sage Tea and Sulphur.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray; also ends dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Hair Remedy." You will get a large bottle for about 50 cents. Everybody uses this old, famous recipe, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.
